DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Please find attached the corrected form 1449 for the IDS filed September 5, 2006. It has been determined that reference C2, listed as a U.S. Patent Document, is in fact a Foreign Patent Document (WO/2004/048595, published June 10, 2004, Inventors Phillips J. et al.) that is not of record and therefore was not considered.
